# TOYOTA LANDCRUISER 79 SERIES

03/2007 - 07/2016

 1300 992 195

 [torqit.com.au](http://torqit.com.au)

The Toyota 79 Series Landcruiser is a reliable off-roader and workhorse, but the simplicity of the standard vehicle leaves plenty of room for improvement. To target the prominent issues which restrict its performance and driveability, Torqit has developed a product range to safely and effectively transform the capabilities of the 79 Series. For maximum results and savings, we recommend combining Torqit's product range in a full performance upgrade.

- ✔ **Response**
✔ **Power**
✔ **Torque**
✔ **Note**
✔ **Fuel Efficiency**
✔ **High Flow**

## PERFORMANCE EXHAUST

Torqit has three performance exhaust options for the 79 Series Landcruiser. Each exhaust is mandrel bent from premium 304 grade steel, and is designed to:

- ✔ Maximise torque and performance
- ✔ Improve fuel economy and maximise energy output
- ✔ Deepen vehicle note with steel up to 2mm thick
- ✔ Increase flow, lower EGT's and reduce back pressure
- ✔ Withstand extreme off roading and rugged terrain

Bolting onto the back of the turbo, Torqit's exhaust range for the 79 Series Cruiser also includes:

- ✔ High flow catalytic converters for maximum flow
- ✔ Double braided flex bellows to absorb excess movement and vibrations
- ✔ Titanium coated dump pipes to rapidly disperse heat
- ✔ A deep V8 note, with a muffler or resonator option

Torqit's 79 Series exhaust range is designed to suit JMACX upgrades plus fit the LRA, Long Ranger, Frontier Long Range Fuel Tank, and the Brown Davis Long Range Fuel Tank. A 300mm extension is also available for vehicles with an extended chassis.

## ENGINE PERFORMANCE

Added weight from aftermarket accessories, heavy loads, and towing trailers/ boats can noticeably reduce the performance of the 79 Series Landcruiser, as well as increase stress on the engine and reduce the fuel economy. Torqit provides two options to target these issues - the Power Module or ModuleMap.

### POWER MODULE

- ✔ Adjust vehicle fuel rail pressure and turbo boost to increase torque and power
- ✔ Wireless Bluetooth control
- ✔ Simple plug and play installation
- ✔ Three modes (Economy, Cruise and Sport) with 27 settings
- ✔ Keep vehicle warranty intact
- ✔ 5 year product warranty

OR

### MODULEMAP

- ✔ Remotely program and optimise vehicle settings
- ✔ DIY install without visiting a tuning shop
- ✔ Customise the tune to suit aftermarket modifications
- ✔ Adjust vehicle with three tunes: Cruise, Sport and Stock
- ✔ Return to factory settings at any time
- ✔ Includes drive-line warranty

## PEDAL TORQ THROTTLE CONTROLLER

The Pedal Torq reduces throttle lag to get your 79 Series quicker off the mark, with smoother gear changes, and faster response when overtaking and towing. An added bonus- you will potentially see an improvement in fuel economy. We have two options to remove sluggish behaviour and enhance the drivability of the 79 Series Landcruiser: the Pedal Torq or Pedal Torq Plus.

### PEDAL TORQ

- ✓ Five modes with 30 settings
- ✓ Personalise response with Intelligent mode, which adapts to your driving style
- ✓ Hardwired with easy dash mount control
- ✓ 5 year product warranty

OR

### PEDAL TORQ PLUS

- ✓ Eight modes with over 60 settings
- ✓ Bluetooth connected with wireless control
- ✓ Immobilise vehicle with Anti-Theft Mode
- ✓ 5 year product warranty

## STAINLESS STEEL SNORKEL

A properly functioning snorkel is crucial to preventing dust and water intake, and with Torqit's Stainless Steel 4" Landcruiser Snorkel, it's also a chance to improve engine performance. This means maximum airflow and engine efficiency, plus potential fuel savings. Key features of Torqit's 79 Series Snorkel:

- ✓ Premium 304 grade stainless steel
- ✓ Mandrel bent, one-piece design
- ✓ Heavy duty brackets with laser cut logo and padded backing
- ✓ Stainless steel/ satin black powder coated option
- ✓ OEM-certified paint for guard cut
- ✓ Rubber Pinch Weld
- ✓ Industry-first steel fitting template
- ✓ Uses existing factory mounts
- ✓ Compatible with aftermarket roof platforms and light bars
- ✓ 5 year product warranty

## STAINLESS STEEL AIRBOX

A tightly sealed airbox is a non-negotiable for keeping your Landcruiser's engine free of water and dust, and Torqit's Stainless Steel 79 Series Airbox is additionally built for maximum performance. With a raised and tapered lid, the airbox optimises airflow across the entire surface area of the filter, which is 1.3 times larger than standard. Key features of Torqit's Stainless Steel Airbox:

- ✓ Premium 304 grade stainless steel
- ✓ CNC folded and laser cut construction
- ✓ Ryco Flat Paper Filter
- ✓ Integrated Donaldson water drainage valve
- ✓ Two bolt and spring-hinged lid
- ✓ High flow hoses and silicone joiners
- ✓ Stainless steel/ satin black powder coated option
- ✓ Simple bolt on installation
- ✓ 5 year product warranty

## TESTIMONIALS

*"Best exhaust, best quality, amazing customer service. Welds on these exhaust are second to none so impressed, it was so easy to install. Well packed so it doesn't get scratched in delivery, would highly recommend these guys and wouldn't go anywhere else for an exhaust for my Toyota Landcruiser 79" - N.Widderick*

*"Have just installed Torqit Power Module and Pedal Torq into my 79 series dual cab and have to say that it has put a big smile on my face. Feels like it wants to jump out of its skin and do wheel stands!!!!" - J.Brandenburg*

*"Over 40,000 km with Power Module on my 79 series including towing, desert runs and rock crawling through forest. It has been great all round. Easy install and great customer support.*

*And the 3.5" exhaust sounds the part too" - D.Eldridge*

*"Great service and advice...3 inch exhaust, throttle control and Power Module - all easy to install and has made a huge improvement to the performance of my 79 series. Highly recommended!" - T.Hodgetts*
